

Employee Guide to Logging into Portal

All active EMT Employees have access to a web portal where they are able to view their employee profile, generate pay history reports, and view/print all of their pay checks issued during their employment with EMT. The link is always available on our website www.emtpeo.com

On our EMT homepage, please select [LoginPortal](#) at the top and chose the [Employee Login](#) link to get started. All Employees are pre-registered for the site, and will use the following information to log in:

Username: Last 4 Digits of Employee's SSN (hyphen) Employee's Birth year
Example: 1234-1975

Password: Last 4 digits of the Employee's SSN

Once logged in, you are able to change your password under the Inquires link. Although this is a secured website, we always suggest updating your password to a different, more personalized entry.

If you experience any difficulties please email mredmon@emtpeo.com for immediate assistance.
